The Rolling Scopes School
08.2021 - 03.2022

I'm 20 years old. I'm a fourth year student of BNTU. Since September,2021 to March,2022 I have been taking courses from The Rolling Scopes School. During this time, I completed six projects, using technology as: HTML, CSS/SCSS, JavaScript, TypeScript, asyncJS. My last project in the course: development of an English language learning application. It was my first experience of team development. At the moment, I am intensively studying React. Next, I want to learn new things and develop in this direction. I also have a level of English B1.
